Father & Daughter Ball

Night at the Oscars...

We are so excited you have decided to join us for Picatinny's First Annual Father/Daughter Ball...Night at the Oscars!

Our movie themed evening will be full of great fun for all!

The evening begins at 6:00pm at the Cannon Gate Catering Center.

All of our guests will have a chance to walk down our red carpet upon arrival! We would like to invite all the Moms (Mamarazzi) to come early to take photos of our guests. Moms are welcome to arrive at 5:45pm to get their spot on the red carpet! Unfortunately, after the photo opts we have to ask you to depart, for this is a special night for Dad & Daughter!

The Cannon Gate will serve up some delicious refreshments throughout the night. Our DJ will be rocking the night away so that our guests can tear up the dance floor. We would like to remind everyone not to forget to visit our photo booth while you are there for an extra special keep sake! Best of all this is all included in your ticket price!

As an extra special treat, special themed non-alcoholic drinks will be available at an extra cost.

Fun Food...Great Music...Lots of Laughs...And most importantly a night you will never forget!

Dress Code is simple: Sunday best for the ladies and Military Dress or a Suit for the Dads!

We can't wait to see you there!

***This event is open to the general public. So please invite your friends outside of Picatinny to join you for this great evening!**
