MEMORANDUM FOR All Frog Falls Patrons

SUBJECT: Garrison Commander's Policy Letter No. 019 Force Protection and Anti-Terrorism and Security Awareness at Frog Falls Aquatic Park

1. Welcome to the 14th season at Frog Falls Aquatic Park! What an exciting year 2013 is shaping up to be. Our goal is to offer a family oriented, fun, recreational experience at Frog Falls. Specialty Events for all ages are offered throughout the summer season.
2. As always, Family and Morale, Welfare and Recreation (FMWR) Patrons will experience a rigid inspection process as you enter Picatinny Arsenal for reasons of security, safety and the well being of each and every one of us. The inspections will continue throughout the summer season and will be adjusted as necessary for the protection of personnel, property and National Defense interests.
3. There are some adjustments in your daily routine that will help with the efficient and effective process of personal identification and vehicle inspection:

- a. Allow extra time in your trip for the inspection process.
- b. Gate access information is as follows:

	<u>Weekdays</u>	<u>Weekends</u>	<u>Federal Holidays</u>
Main Gate	Open 24 hours	Open 24 hours	Open 24 hours
Mt. Hope Gate	0600-1800	TBD	Closed
Truck Gate	0600-1800	Closed	Closed

- c. Have personal identification ready (FMWR photo ID). Be sure your driver's license, registration and insurance paperwork are current.
- d. Have the proper windshield identification (FMWR sticker) affixed to the rear view mirror so it faces the front of the vehicle and therefore easier to identify by the Police.
- e. Upon entry to the Installation FMWR Patron's Drivers licenses will be scanned, for standing warrants.
- f. Remove clutter and unauthorized items from the vehicles to speed the inspection process. Be aware that motor vehicle inspectors have the authority to confiscate any unauthorized items.
